Matrix Commissions, Matching Bonuses, Product Volumes, Lifestyle Bonuses and Diamond Pools are paid Monthly on the 15th of each month for the previous month's volume. Remember, the first month's Membership and products purchased are paid out weekly in Fast Start Commissions. So Matrix Volumes, Product Volumes, Lifestyle Bonuses and Diamond Pools start to accumulate on Members second month in GreatLife and paid on the 15th of the following month.

Example: If you joined GreatLife in January and you have 50 Members under you in the Matrix in January, you would not earn a matrix commission for January because all of the Fast Start Commissions are paid on first month Memberships and Product Purchases. Assuming all 50 of those Members remained active in February, you would receive your first Monthly Commissions on or before March 15th for those 50 Members that have orders in February.

50% MATCHING BONUSES - PAID MONTHLY

On top of the up to 65,535.00 or more that you can earn from memberships and product sales made in your matrix, you will also match 50% of matrix memberships from your personally enrolled members. Matching bonuses are paid monthly on Matrix memberships subscriptions (excluding products)

EXAMPLE: If you have 10 personally enrolled people who are each earning $6,000 per month from their matrix memberships, you will match 50% of what they earn from their matrix memberships. That means you will earn a $3,000 matching bonus on each of them every month, for a total of $30,000 (10 people x $3,000 each) in commissions just on those 10 people alone. And that doesn't include what you will earn in YOUR matrix.

There is no limit as to how many people you can match, or how much you can earn in matching bonuses! Matrix Commissions and Matching Bonuses are paid out the 15th of the month following the previous month's volume starting your SECOND MONTH, as all initial orders are paid out in Weekly Fast Start Commissions.
